The screenshot shows a web browser at connectuat.ltts.com. The page has a blue header with the L&T Technology Services logo. On the left, there are four blue callout boxes with white text, each preceded by a hand icon pointing to the URL: 1. 'For Baroda Users: https://connect.ltts.com', 2. 'For Bangalore / Mys Users: https://connect-blr.ltts.com', 3. 'For Chennai Users: https://connect-Chn.ltts.com', and 4. 'For Mumbai / HYD Users: https://connect-mum.ltts.com'. The main content area on the left contains text about VPN login and links to download HySecure and HyWorks clients. On the right, there is a 'Sign-in' form with fields for 'Username' (containing '90001563') and 'Password' (masked with dots). Below these is a dropdown menu labeled 'HyLite Mode' and a large black 'Sign-in' button. Three numbered blue callout boxes with hand icons point to the form: 1. Points to the browser address bar with the text 'Open the Browser and Enter the URL'. 2. Points to the Username field with the text 'Enter your PS No'. 3. Points to the Password field with the text 'Enter your Outlook Password'. A fourth callout box, labeled '3', points to the 'HyLite Mode' dropdown with the text 'Select HyLite Mode & Click on Sign-in'.
